

## # Meeting Agenda

**Group:** 15 (Hubba)

**Date:** 2018-10-22

**Chair:** Johannes

**Participants:** Johannes, Li, Jian, Camilla, Nils-Martin

**Absent:** Alexander (Berlin)

### ## Objectives (5 min)

- Notifications don't show when we want, but when they want.
- Can't save User (due to how loadData works)
  - Also friends cannot be added due to this.
- Peer review
- Achievement
- Habits don't show up on the right day
- Number of rows code written by members?
- **Resolve any issues preventing the team to continue.**
- **Short clear descriptions.**

### ## Reports (15 min) from previous meeting

- **Camilla:** Interface for NumberOfHabitAchievements and StreakAchievements. Implemented notifications, now sends notification but not on the right time. Also worked on RAD and SSD.
- **Jian:** Made interface for habit, Created and implemented edit button so you can edit an habit. Made so when you click on a habit the right information is shown. Written on the SSD and RAD.
- **Nils-Martin:** Worked on making groups work, not yet finished. Have written on the SSD and RAD.
- **Li:** Implemented so the lists group, habits and friends in menu works. Implemented friends which works but due to loadData not working as supposed to it causes problems. Helped out with groups. Done a little on SDD.
- **Johannes:** Started on Achievements menu. Worked on Achievements functionality. Fixed bugs. SDD and RAD.
- **Each group member reports outcome of assigned issues, see also 'outcomes and assignments'.**

### **## Discussion items (35 min)**

- Number of rows coded: No one have the ca 800 rows of code per person that was suggested yet. We have some things left and we need to make sure to comment and make tests.
- Can't load User is worked on by Alexander, we hope this will finish soon so we can finish the last pieces of the puzzle. Check if he needs help when he come back.
- Peer Review: We'll work on it tomorrow (23/10) 13:00-15:00.
- **Discuss the identified issues, and possibly new or more general issues (very short notes and/or keywords).**

### **## Outcomes and assignments (5 min)**

- **All:** Peer review, SDD, RAD, go through Trello
- **Camilla:** Finish notifications. Work on making habits show up in right days on the front page with Jian. The last finishes on Menu, making clickable stuff with Li.
- **Jian:** Work on making habits show up in right days on the front page with Camilla.
- **Nils-Martin:** Work on achievements.
- **Li:** The last finishes on Menu, making clickable stuff with Camilla.
- **Johannes:** Make streaks show on front page. Implement more interfaces.
- **Alexander:** Make save work
- **Outcomes from discussion items. Write down what's decided and why it was decided. Sync with other documentation (add terms to wordbook).**
- **(re)Assign to each group member which issues to solve.**

### **## Wrap up**

Next meeting: thu 2018-10-25 M1212A

- **Write down any unresolved issues for next meeting.**
- **Decide a time and location for next meeting.**
